Hi Libby, I am scheduled to leave for Durango on Friday if that works for you to transition you out.

OK. I'm looking for who ultimately will transition me out as EPA Lead PIO and saw your emails. Will need either of you or someone else to come down and Lead PIO for EPA. I'm anticipating leaving this coming Sunday. All is tentative at this point.

From what I understand, I am not today (I came in to help out at the end of the day yesterday), but Chris is on as PIO here – I forwarded the presentation you just sent to him just a few moments ago. I'm in the office today – let me know if you need assistance from me.

Thanks,

Jennifer
